

Plan2Pass Real Estate School LLC introduces our instructor

KATHIE CONNELLY

REAL ESTATE BROKER, CONSULTANT & EDUCATOR

Plan2Pass
Real Estate School LLC

Kathie Connelly presently contributes to the industry as a subject matter expert for real estate education providers, reviewing and editing course content, study guides and exam questions. She offers instruction to real estate licensees in both classroom and virtual settings and webinars to education providers. Specialty topics include Risk Management, Maryland Real Estate Commission (MREC) Trends and Updates, Broker Supervision and Brokerage Relationships. Success in the sales field led to many other appointments such as Director of Operations for a large Maryland brokerage and founding partner of a brokerage firm. Industry involvement included many Maryland REALTORS committees. From 2006, while Executive Director of MREC she served as President of Association of License Law Officials and now serves as Chairman of ARELLO Foundation. These positions have provided her with a bird's eye and a behind the scenes view of our industry which she converts into actual classroom benefits whether new agents, experienced agents or managers/brokers are in attendance. Expect firsthand knowledge, great real-life examples, an approachable authority on MD specific matters, and a welcoming engagement when attending her classes:
