

# Plan2Pass Real Estate School LLC introduces our instructor

## MIKE FAGAN

SENIOR VICE PRESIDENT OF MORTGAGE FINANCING

Plan2Pass  
Real Estate School LLC

Mike Fagan has been the most reliable resource for my office's buyers and borrowers for the decades of my broker affiliation. His elite level of service, responsiveness and expertise is a true mark of professionalism. Mike works with homebuyers throughout the entire process as a consultant and guide, directing the activities of a dedicated team that includes loan assistants, processors, underwriters and closing specialists. Mike is so fluent in the language of financing that he manages to pack in more content than the 3 hour session would normally allow and makes it make sense! Mike Fagan is a strong supporter of the Plan2Pass broker course. Not only is he an instructor with the program but he also contributes by offering extras to the group such as covering the cost of a bonus study guide at the end of class and fun giveaways. Expect great guidance, fabulous speaking voice and good commarderie when attending his classes:
